

ABOUT US

PDT Ascend Sdn Bhd delivers integrated heavy lift and haulage services for the construction and transport of large and heavy structures for the offshore market.

PDT Ascend was established in 2018 by PDT Oil & Gas Services Sdn. Bhd. (a wholly-owned company by the Johor State Government) and Tiong Woon Crane & Transport (M) Sdn. Bhd. (a wholly-owned subsidiary under Tiong Woon Corporation Holding Ltd). Founded in 1978 and listed in the main board of the Singapore Stock Exchange since 1999, Tiong Woon has establishments in 10 countries within the South-east Asia region and Saudi Arabia, amassing a fleet of more than 500 heavy lifting machineries over 41 years.

PDT Ascend thrives to be the most customer-centric company by offering great finesse in the operation and maintenance services of the heavy machinery industry throughout the region. Traversing more than just a service provider, our company aims to foster the local participation and acts as a catalyst in enhancing the livelihood of the future generation in the State of Johor.

We also possess our own fleet of heavy lift and haulage equipment, tugboats and barges to provide a wide spectrum of integrated services for clients who are mainly involved in the Refinery and Petrochemical Integrated Development (RAPID) Project in Pengerang, Johor.
